¹This compilation includes chapters 1--17 of Title 6, Tennessee Code Annotated, which contain the basic organizational provisions for this form of government. IMPORTANT NOTE: There are many other general laws affecting municipalities organized under this charter which have been omitted because they apply to all municipalities. These are found in various parts of the Tennessee Code Annotated. This compilation has been amended to reflect legislation passed in the 2008 session of the Tennessee General Assembly.

PART 2 – ADOPTION OF CHARTER

6-1-201. Right to adopt charter--Incorporation within specified distances from existing cities.--(a) (1) The residents of any incorporated municipality or of any territory wanting to incorporate under this charter may adopt the provisions of this chapter and chapters 2-4 of this title in the manner provided in this chapter. Thereupon the municipality or territory shall be and become incorporated and be governed as herein set forth. No unincorporated territory shall be incorporated under the provisions of this charter unless such territory contains not fewer than one thousand five hundred (1,500) persons, who shall be actual residents of the territory.

(2) No unincorporated territory shall be allowed to hold a referendum on the question of whether or not to incorporate under this charter until a plan of services is documented setting forth the identification and projected timing of municipal services proposed to be provided and the revenue from purely local sources to be payable annually. The plan of services shall be attached to the petition to incorporate when such petition is filed with the county election commission. The plan of services shall include, but not be limited to: police protection, fire protection, water service, sanitary sewage system, solid waste disposal, road and street construction and repair, recreational facilities, a proposed five-year operational budget, including projected revenues and expenditures, and the revenue from purely local sources to be payable annually. Municipalities that are first incorporated on or after July 1, 1993, that produce no local own source revenues in any fiscal year shall not receive any state-shared revenues during the next fiscal year.

(3) Prior to filing the petition with the county election commission, a public hearing on the referendum on the question of whether or not to incorporate under this charter and plan of services shall be conducted. The public hearing shall be advertised in a newspaper of general circulation for two (2) consecutive weeks.

(b) (1) If any part of the unincorporated territory proposed for incorporation is within five (5) miles of an existing municipality of one hundred thousand (100,000) or more according to the most recent federal census and if the governing body of such municipality adopts a resolution by a two-thirds (2/3) vote indicating that the municipality has no desire to annex the territory, such territory may be included in a proposed new municipality. A petition for incorporation shall include a certified copy of such resolution from the affected municipality.

(2) In any county having a population of more than eighteen thousand two hundred (18,200) and less than eighteen thousand five hundred (18,500) according to the 1990 federal census or any subsequent federal census, if any part of the unincorporated territory proposed for

incorporation is within five (5) miles of an existing municipality of one hundred thousand (100,000) or more in population or within two (2) miles of an existing municipality of more than one thousand (1,000) and fewer than one hundred thousand (100,000) in population, according to the 1990 federal census or any subsequent census, then action on the petition as provided in §§ 6-1-202 and 6-1-204 shall be held in abeyance for fifteen (15) months from the date of filing the petition. If, within this period, the existing municipality does not annex at least twenty percent (20%) of the land area or twenty percent (20%) of the population of the territory proposed for incorporation, then proceedings shall be continued as provided in §§ 6-1-202 and 6-1-204 as though the petition had been filed at the conclusion of the fifteen (15) month period. If the existing municipality annexes at least that part of the territory within this period, then the petition shall be null and void.

(c)-(e) [Deleted by 1993 amendment.]

(f) Notwithstanding the provisions of subsection (a) or (b) to the contrary, a territory may be incorporated if the following conditions are fulfilled:

(1) The territory contains two hundred twenty-five (225) residents or more;

(2) The territory is composed of property which is sixteen hundred (1600) feet or more above sea level on the western border of the territory and contiguous with a county boundary on the eastern border of the territory;

(3) The territory is located within an area which is bordered on the west, north and east by the Tennessee River and on the south by the border between Tennessee and another State; and

(4) The territory is located within a metropolitan statistical area.

(g) (1) Notwithstanding the preceding provisions of this section to the contrary, a territory may be incorporated that meets the following conditions:

(A) The territory contains three hundred (300) residents or more;

(B) The territory's western boundary is contiguous with the western boundary of the county in which it is located;

(C) The territory is located within an area bordered on the north by the Loosahatchie River, on the south of the Wolf River;

(D) The territory's eastern boundary is approximately parallel with the western boundary, but in no place is more than eight (8) miles from the western boundary; and

(E) The territory is located within a metropolitan statistical area.

(2) The territory described in this subsection may incorporate notwithstanding the provisions and restrictions in subsections (a) and (b).

(h) Notwithstanding the requirements of this section, or §§ 6-1-202, 6-1-203, and 6-1-209, or any other provision of law to the contrary, a petition for incorporation may consist of a letter from a resident of the territory desiring to incorporate to the county election commission requesting that the question of incorporating the territory be placed on the ballot. The letter shall describe the exact boundaries of the proposed municipality, indicate the name of the proposed municipality, and indicate under which charter the territory desires to incorporate. The letter shall be treated as a petition meeting all the requirements of law.

(i) (1) Notwithstanding any provision of law to the contrary, whenever the governing body of any existing city affected by this section, by a resolution adopted by a majority vote of its governing body, indicates that it has no interest in annexing the property to be incorporated, and when a certified copy of such resolution and a petition requesting that an incorporation election be held are filed with the county election commission, then the proceedings shall continue as provided in this chapter as though the proposed new incorporation were not within the specified distance of such existing city as provided in this section.

(2) The provisions of this subsection shall only apply in counties having a population of not less than 80,000 nor more than 83,000 according to the 1990 federal census or any subsequent federal census; provided, that in an adjoining county an existing municipality that is within the specified distance may also use the procedure authorized by this subsection. [Acts 1991, ch. 154, § 1; Acts 1993, ch. 320, §§ 1, 2; Acts 1995, ch. 13, § 1; Acts 1995, ch. 202; Acts 1996, ch. 666, §§ 1, 4; Acts 1996, ch. 708, § 1, § 3; Acts 1998, ch. 1101, § 27.]

6-1-202. Election to adopt charter.--(a) The county election commission shall hold an election for the purpose of determining whether this charter shall become effective for any municipality or newly incorporating territory upon the petition in writing of at least thirty-three and one-third percent (33 1/3%) of the registered voters of the municipality or territory. The petition shall include a current list of the registered voters who live within the proposed territory. The petition shall state in a sufficient manner the boundaries of the proposed municipal corporation, which may be done by a general reference to the boundaries then existing if there is one. Upon receipt of the petition the county election commission shall examine the petition to determine the validity of the signatures in accordance with Section 2-1-107. The county election commission shall have a period of twenty (20) days to certify whether the petition has the sufficient number of signatures of registered voters. If the petition is sufficient to call for an election on the issue of incorporation, the county election commission shall hold an election, providing

options to vote "FOR" or "AGAINST" the incorporation of the new charter, not less than forty-five (45) days nor more than sixty (60) days after the petition is certified. The date of the election shall be set in accordance with Section 2-3-204. The county election commission shall, in addition to all other notices required by law, publish one (1) notice of the election in a newspaper of general circulation within the territory of the municipality or of the proposed municipality, and post the notice in at least three (3) places in the territory.

(b) At any time not less than thirty (30) days prior to the election provided for in this part, the petition may be withdrawn or may be amended to call for a smaller territory for the proposed municipal corporation so long as all of the proposed smaller territory is contained within the boundaries of the territory described in the first petition. The withdrawal or amendment shall be valid if filed with the county election commission in writing, and if signed by not fewer than fifty-one percent (51%) of those who signed the original petition. In the event such an amended petition is filed, all provisions relating to time periods in § 6-1-201, shall be controlled by the date of the filing of the original petition, notwithstanding the filing of the amended petition, and the county election commission shall publish the notice of election as provided for herein. A petition to withdraw, when filed with and validated by the county election commission, shall render the original petition null and void.

(c) A cash bond equivalent to the costs of the election to incorporate under this charter shall be filed by the petitioners with the county election commission along with the petition for incorporation. [Acts 1991, ch. 154, § 1; Acts 1998, ch. 1101, § 28.]

6-1-203. Petition to incorporate under this charter.--The petition filed in accordance with § 6-1-202 shall be in substantially the form provided in § 6-1-209 and shall include a description of the boundaries of the proposed municipal corporation and the boundaries of the proposed wards, if there is only one (1) alderman to be elected per ward, the wards that will carry the initial two-year term, the proposed name of the municipality and whether it is a city or town. The petition shall include a plan of services setting forth the identification and projected timing of municipal services proposed to be provided and the revenue from purely local sources to be payable annually. The plan of services shall include, but not be limited to: police protection, fire protection, water service, sanitary sewage system, solid waste disposal, road and street construction and repair, recreational facilities, a proposed five-year operational budget, including projected revenues and expenditures, and a property tax rate to be annually levied upon all taxable property in the area to be incorporated. Boundary descriptions shall contain references to tax maps kept in the office of the county assessor. [Acts 1991, ch. 154, § 1; Acts 1993, ch. 320, § 3; Acts 1995, ch. 13, § 2.]

6-1-204. Registration of voters--Qualifications to vote--Certification of result.--(a) All registered voters of the municipality or of the territory of the proposed municipality are eligible to vote in the election.

(b) The county election commission shall determine and declare the result of the election and shall certify the result in accordance with § 2-8-105(3) within forty-eight (48) hours after the election. It shall publish the results in a newspaper of general circulation in the municipality or territory and, if the municipality is already incorporated, shall file the results with the legislative body or the municipality at its first meeting after the certification. The results shall be entered at large on the minutes of the body with which it is filed.

(c) In any election held by municipalities incorporated under this charter registered voters of the municipality may vote in accordance with this subsection. Upon adoption of a resolution approved by two-thirds (2/3) vote of the board of commissioners of any municipality incorporated under this charter which has a population of not less than seven thousand seven hundred ten (7,710) nor more than seven thousand seven hundred twenty (7,720) according to the 2000 federal census or any subsequent federal census, registered voters who own real property located in any such municipality shall be entitled to vote in all municipal elections and municipal referenda held in such municipality. The provisions of § 2-2-107(a)(3) shall apply to such property rights voting within such municipality. The approval or nonapproval of such resolution shall be proclaimed by the presiding officer of such board and certified by such presiding officer to the secretary of state. [Acts 1991, ch. 154, § 1; Acts 2007, ch. 88, § 1; Acts 2007, ch. 88, § 1.]

6-1-205. Effect of vote.--(a) If the majority of the votes cast are in favor of the adoption of this charter it shall be deemed to have been adopted. The newly adopted charter shall not be effective until the first board takes office as provided in § 6-1-207. Except for the provisions of this charter that are adopted by reference in other municipal charters, the provisions of this charter apply only to those municipalities that have adopted this charter by referendum as authorized by law.

(b) Following the defeat of an incorporation in an election held pursuant to § 6-1-202, no new petition for an election may be filed until after the expiration of four (4) years. If, however, the territory included in the boundaries of the newly proposed municipal corporation includes less than fifty percent (50%) of the actual territory subject to incorporation in the previous election the new petition may be filed after the expiration of two (2) years. [Acts 1991, ch. 154, § 1; Acts 1995, ch. 13, § 3.]

6-1-206. Certification to secretary of state.--After certification of the election results, if at least a majority of the votes cast are "for charter," the county election commission shall certify to the secretary of state that notice was duly given, and application in due form of law made, the description of

boundaries, the entire number of votes cast, the number of votes cast "for charter," the number of votes cast for "against charter," and the corporate name of the municipality. [Acts 1991, ch. 154, § 1.]

6-1-207. Election of officers upon incorporation.--(a) The county election commission shall call an election not later than sixty-two (62) days following the election for adoption of this charter, at which time municipal officials shall be chosen who shall take office immediately following the election. The qualifying deadline for filing nominating petitions shall be as described in § 2-5-101.

(b) In the election held pursuant to subsection (a), where there is more than one (1) alderman to be elected per ward, the alderman receiving the higher number of votes in each ward shall serve a four-year term. The alderman receiving the second higher number of votes shall serve an initial two-year term. All terms thereafter will be four (4) years.

(c) The mayor and each alderman shall serve for the term for which elected or until their successors are elected and qualified. [Acts 1991, ch. 154, § 1.]

6-1-208. Succession to old corporation.--(a) (1) This charter shall take effect in any municipality immediately after the election and qualification of the first board of mayor and aldermen and any then-existing charter of the municipality shall immediately become null and void.

(2) The right, title and ownership of all property of the municipality and all of its uncollected taxes, dues, claims, judgments, and choses in action, and all of its rights of every kind whatsoever, shall immediately become vested in the new corporation chartered under chapters 1-4 of this title.

(3) The new corporation shall answer and be liable for all debts, contracts and obligations of the corporation it succeeds in the same manner and proportion and to the same extent as the former corporation was liable under existing laws.

(4) All ordinances, resolutions, and bylaws duly enacted and in force under the preexisting charter and not inconsistent with this charter shall remain in full force until repealed, modified, or amended.

(b) Any zoning ordinance applicable to any territory incorporated under this charter shall continue to apply to that territory until the municipality enacts a zoning ordinance, or enacts an ordinance rescinding the zoning that applied to such territory. [Acts 1991, ch. 154, § 1.]

6-1-210. General validation provision.-- (a) The adoption, heretofore accomplished, of chapters 1-3 of this title, before June 30, 1991, by any territory or municipality is hereby ratified and validated in all respects. No flaw or defect or failure to comply with any technical requirement of incorporation shall invalidate any ordinance passed by any municipality incorporating under chapters 1-4 of this title, after June 30, 1991.

(b) Notwithstanding any provision of this chapter or any other law to the contrary,

IF the registered voters of any unincorporated territory approved a mayor-aldermanic charter and elected municipal officials, acting pursuant to the provisions of this chapter on or before December 31, 1999; AND

IF from the election of such officials until April 26, 2001, the territory has continuously functioned as a mayor-aldermanic municipality; AND

IF the territory, between the date of such election and April 26, 2001, received and expended state funding allocated for municipalities; THEN The adoption of such charter, the incorporation of such territory as a mayor-aldermanic municipality and the election of such officials are hereby ratified and validated in all respects; and no flaw or defect or failure to comply with any requirement of incorporation, set forth in § 6-1-201(b), shall invalidate the territory's status as an incorporated municipality or invalidate any ordinance passed by the board. 6-1-211. Elections valid despite informalities.--No informalities in conducting any election held under this chapter shall invalidate it if the election is conducted fairly and in substantial conformity with the requirements of this chapter and the general election law. [Acts 1991, ch. 154, § 1.]

6-1-212--6-1-218. [Repealed.]

6-1-219. (b) If the incorporation takes effect on July 1, then the municipality shall begin receiving revenue from such taxes generated within its corporate boundaries for the period beginning July 1.

(c) Whenever a municipality incorporates, the municipality shall notify the Department of Revenue of such incorporation prior to the incorporation becoming effective for the purpose of tax administration.

(d) Such taxes shall include the local sales tax authorized in § 67-6-103, the income tax on dividends authorized in § 67-2-102, and all other

such taxes distributed to counties and municipalities based on the situs of their collection. [Acts 1998, ch. 651, § 1.]

PART 3 -- SURRENDER

6-1-301. Surrender of charter.--(a) After the adoption of this charter and the election of the first board of mayor and aldermen, no election for the surrender of this charter shall be called or held for a period of four (4) years from the date the first board takes office.

(b) After the expiration of the four-year period, an election to surrender the charter may be held. In order for a surrender election to be held, a petition requesting surrender of the charter must be filed in the same manner and contain the signatures of the same number of registered voters as provided for the adoption of this charter. The petition must pray for a surrender of the charter and must be accompanied by a cash bond to be posted by the petitioners to cover the cost of the election. In case of a failure to surrender the charter, future elections to surrender it shall not be held more frequently than at four-year intervals. [Acts 1991, ch. 154, § 1.]

6-1-302. Conduct of surrender election.--The county election commission has the same duties with respect to an election for the surrender of a charter as it has with respect to an election to adopt a charter under this title. [Acts 1991, ch. 154, § 1.]

6-1-303. Termination of charter--New charter.--If a majority of the votes cast in the election favor the termination of this form of government the provisions of this charter shall terminate at 12:01 A.M. on the sixtieth day next following the date of the election unless this falls upon Sunday or a holiday, in which case it shall terminate at 12:01 A.M. on the next day. If before the adoption of this charter the municipality functioned under a different charter, thereupon the prior charter shall become effective at the time above mentioned. Territory previously unincorporated shall revert to that status. Another charter, however, may be adopted and the question whether or not another charter shall be adopted may be placed on the ballots used in the election herein mentioned, if the petition filed requests that, and if all other necessary legal steps to adopt the other charter have been taken. [Acts 1991, ch. 154, § 1.]

6-1-304. Election of new officers when charter is surrendered.--If there was a previously incorporated municipality or if a new charter is adopted as provided in § 6-1-303, the county election commission shall call an election not more than sixty-two (62) days following the election for surrender of this charter, at which time municipal officials for the newly adopted form of government shall be chosen who shall take office immediately after the election. The previous board shall hold over until the newly elected officers take office. The qualifying deadline for filing nominating petitions shall be as described in § 2-5-101. All registered voters of the municipality may vote in the election. [Acts 1991, ch. 154, § 1.]

6-1-305. Succession to assets and liabilities after surrender of charter.--(a) In case of a reversion to a former charter or adoption of a new one simultaneously with the surrender of the old, all assets, liabilities and obligations of the old municipality shall become those of the new municipality.

(b) In the event a municipality reverts to unincorporated status, the board of mayor and aldermen shall become trustees of the property and funds of the former municipality, and, under such bonds as may be required by the county legislative body, shall proceed to terminate the affairs of the municipality and dispose of its property. [Acts 1991, ch. 154, § 1.]

6-1-306. Liquidation of affairs.--If the property and funds are more than sufficient to meet the municipality's obligations, the surplus shall be paid into the treasury of the county to become a part of its general fund. If the property and funds are insufficient to meet all the municipality's current obligations, the county legislative body may levy and collect taxes upon the property within the boundaries of the former municipality and pay the revenue to the trustees for the purpose of meeting the current deficit. The trustees shall terminate the affairs of the municipality as soon as possible, but in no event shall the trusteeship continue for more than thirty-six (36) months. Any matters, including obligations maturing after thirty-six (36) months, not disposed of within the thirty-six-month period shall become the responsibility of the county legislative body of the county in which the municipality is located. [Acts 1991, ch. 154, § 1.]

PART 4 – OFFICERS

6-1-401--6-1-406. [Repealed.]

PART 5--CHANGE OF CORPORATE NAME

6-1-501. Right to change corporate name. A municipality may amend this charter for the sole purpose of changing the corporate name of the municipality, including the municipality's designation as a town or city in the manner provided in Section 2 of this part. [Acts 2000, ch. 702, § 1.]

6-1-502. Manner of changing corporate name. The corporate name of a municipality may be changed only in the following manner.

(1) The proposed name change must be approved by resolution by a vote of not less than two thirds (2/3) of the board in the manner provided for ordinances in Section 6-2-102.

(2) If approved by the board, the resolution shall be published in a newspaper of general circulation in the municipality within fourteen (14) days of final approval by the board or the first available opportunity for publication, whichever is sooner. Such resolution shall become operative sixty (60) days after its adoption by the board unless ten percent (10%) of the qualified electors of the municipality sign a petition and present it to the board during such sixty (60) day period requesting that the resolution be referred to the electors, in which case it must receive the approval of a majority of the electors voting thereon at an election held as provided in subdivision (3). If such a petition is not received within such sixty-day period, the resolution shall become operative at the end of such sixty-day period and the Mayor shall file a copy of the resolution indicating the new corporate name of the municipality with the Secretary of State.

(3) Upon receipt of a petition filed in the manner provided in subdivision (2), a certified copy of the resolution shall be sent to the county election commission, which shall place the question whether to approve the resolution on the ballot of the next scheduled municipal election or General Election at which members of the General Assembly are chosen, whichever is sooner. The ballot shall provide options to vote "FOR" or "AGAINST" the resolution. The qualifications for voting shall be the same as otherwise provided in Section 6-1-204 in the election to adopt the original charter under this chapter.

(4) If the majority vote is for the resolution, it shall be deemed to be operative on the date that the county election commission makes its official canvass of the election returns. The county election commission shall then promptly certify the results of the election to the Secretary of State and the new corporate name of the municipality.

CHAPTER NO. 53

SENATE BILL NO. 1997

By Kurita

Substituted for: House Bill No. 1992

By Williams

AN ACT To authorize the Town of Pegram, within Cheatham County, Tennessee, to levy and collect a development privilege tax on new development within the municipality in order to provide that new development its fair share of the cost of providing public facilities and services to the residents of such municipality.

WHEREAS, Cheatham County, Tennessee, has been one of the fastest growing counties in the state for the past fifteen (15) years, having been impacted by the rapid growth in the standard metropolitan area of Nashville; and

WHEREAS, Anticipated continued growth from the expansion of Nashville is expected to accelerate due to the continuing location of manufacturing and commercial businesses in the Middle Tennessee area, and from other factors; and

WHEREAS, Current projections show that:

(1) County population will be forty-two thousand (42,000) persons in the year 2010, an increase of fifty-five percent (55%) from 1990; there will be a demand for approximately five thousand (5,000) additional dwelling units between 1990 and 2010; and new residential and non-residential development will consume an additional three thousand (3,000) acres of land in Cheatham County; and

(2) The majority of the projected growth in Cheatham County between 1990 and 2010 will occur within the boundaries of the incorporated municipalities within the county; and

(3) The projected growth and land use development within the municipalities in Cheatham County will cause a demand for municipal capital facilities (roads, parks, city governmental facilities, etc.) in an amount well in excess of ten million dollars (\$10,000,000) over the next fifteen (15) years; and

(4) Each municipality's present revenue-raising authority is limited and relies heavily on intergovernmental transfers which are not subject to city control and on property taxes, which would impose the costs of new growth on existing residents rather than on new residents and businesses who create the demand for the additional expenditures; and

WHEREAS, The municipalities are committed, both to present and future residents, to maintaining a level of public facilities and services commensurate with those presently provided; and

WHEREAS, The municipalities are prepared to impose a fair, equitable and reasonable share of the costs of providing the necessary public facilities and services on existing residents of their respective municipalities; and

WHEREAS, The municipalities' present population, employment rate, tax base and budget cannot alone support the additional revenues needed to supply facilities to serve new growth without a substantial increase in the property tax rate on existing development; and

WHEREAS, Due to these unique circumstances, it is necessary and appropriate that the Town of Pegram, within Cheatham County, be given authorization to extend its taxing power to enable the municipality to impose a fair and reasonable share of the costs of public facilities necessitated by new development within its boundary on that development so as not to create an unfair and inequitable burden on existing municipal residents; and

WHEREAS, There is precedent in the State of Tennessee for such additional tax measures to impose costs on those who benefit from improvements and where the result would otherwise be to impose an unfair burden on existing residents; and

WHEREAS, The most logical and effective mechanism to accomplish the intended result would be the imposition of a development privilege tax on new development within the municipality; now, therefore.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:
