9-101. Definitions. Unless otherwise expressly stated, whenever used in this chapter, the following words shall have the meanings given to them in this section:

(1) "Peddler" means any person, firm or corporation, either a resident or a nonresident of the city, who has no permanent regular place of business and who goes from dwelling to dwelling, business to business, place to place, or from street to street, carrying or transporting goods, wares or merchandise and offering or exposing the same for sale.

(2) "Solicitor" means any person, firm or corporation who goes from dwelling to dwelling, business to business, place to place, or from street to street, taking or attempting to take orders for any goods, wares or merchandise, or personal property of any nature whatever for future delivery, except that the term shall not include solicitors for charitable and religious purposes and solicitors for subscriptions as those terms are defined below.

(3) "Solicitor for charitable or religious purposes" means any person, firm, corporation or organization who or which solicits contributions from the public, either on the streets of the city or from door to door, business to business, place to place, or from street to street, for any charitable or religious organization, and who does not sell any single item at a cost to the purchaser in excess of twenty-five dollars (\$25.00). No organization shall qualify as a "charitable" or "religious" organization unless the organization meets one of the following conditions:

(a) Has a current exemption certificate from the Internal Revenue Service issued under Section 501(c)(3) of the Internal Revenue Service Code of 1954, as amended and delivers a copy of such certificate to the city;

(b) Is a member of United Way, Community Chest or similar "umbrella" organizations for charitable or religious organizations and provides proof of such membership to the city; or

(c) Has been in continued existence as a charitable or religious organization in Shelby County for a period of two (2) years prior to the date of its application for registration under this chapter and provides proof of such continued existence to the city.

(4) "Solicitor for subscriptions" means any person who solicits subscriptions from the public, either on the streets of the city, or from door to door, business to business, place to place, or from street to street, and who offers

for sale subscriptions to magazines or other materials protected by provisions of the Constitution of the United States.

(5) "Transient vendor"¹ means any person who brings into temporary premises and exhibits stocks or merchandise to the public for the purpose of selling or offering to sell the merchandise to the public. "Transient vendor" does not include any person selling goods by sample, brochure, or sales catalog for future delivery; or to sales resulting from the prior invitation to the seller by the owner or occupant of a residence. For purposes of this definition, "merchandise" means any consumer item that is or is represented to be new or not previously owned by a consumer, and "temporary premises" means any public or quasi-public place including a hotel, rooming house, storeroom, building or part of a building, tent, vacant lot, railroad car, or motor vehicle which is temporarily occupied for the purpose of exhibiting stocks of merchandise to the public. Premises are not temporary if the same person has conducted business at those premises for more than six (6) consecutive months or has occupied the premises as his or her permanent residence for more than six (6) consecutive months.

(6) "Street barker" means any peddler who does business during recognized festival or parade days in the city and who limits his business to selling or offering to sell novelty items and similar goods in the area of the festival or parade. (1981 Code, § 5-201, as replaced by Ord. #2005-21, Nov. 2005)

9-102. Exemptions. Except to the extent necessary for public safety under § 9-108(3) of this chapter, the terms of this chapter shall not apply to persons selling at wholesale to dealers, nor to newsboys, nor to bona fide merchants who merely deliver goods in the regular course of business, nor to persons selling agricultural products, who, in fact, themselves produced the products being sold, nor to minor school children who are selling merchandise or soliciting solely to benefit the school which they attend. (1981 Code, § 5-202, as replaced by Ord. #2005-21, Nov. 2005)

¹State law references

Tennessee Code Annotated, § 62-30-101 et seq. contains permit requirements for "transitory vendors."

The definition of "transient vendors" is taken from Tennessee Code Annotated, § 62-30-101(3). Note also that Tennessee Code Annotated, § 67-4-709(a)(6) prescribes that transient vendors shall pay a tax of \$50.00 for each 14 day period in each county and/or municipality in which such vendors sell or offer to sell merchandise for which they are issued a business license, but that they are not liable for the gross receipts portion of the tax provided for in Tennessee Code Annotated, § 67-4-709(b).

9-103. Permit required. No person, firm, corporation or other entity shall operate a business as a peddler, transient vendor, solicitor or street barker, and no solicitor for charitable or religious purposes or solicitor for subscriptions shall solicit within the city unless the same has obtained a permit from the city in accordance with the provisions of this chapter. Provided, however, that this section shall not apply to any locally established organization or church operated exclusively for charitable or religious purposes when the solicitations are conducted exclusively among the members thereof, voluntarily and without remuneration for making such solicitations, or when the solicitations are in the form of collections or contributions at the regular assemblies of any such established organization or church. (1981 Code, § 5-203, as replaced by Ord. #2005-21, Nov. 2005)

9-104. Permit application. (1) A sworn application containing the following information, together with evidence of the applicant's status if required under § 9-101(3), shall be completed and filed with the city clerk by each applicant for a permit as a peddler, transient vendor, solicitor, or street barker and by each applicant for a permit as a solicitor for charitable or religious purposes or as a solicitor for subscriptions:

(a) The complete name, permanent address, telephone number and social security number or federal employer identification number of the applicant, and the complete name, permanent address, telephone number and federal employer identification number of the business or organization the applicant represents;

(b) A brief description of the type of business and the goods to be sold;

(c) A recent clear photograph approximately two inches square showing the head and shoulders of the applicant;

(d) The dates, times and places during which the applicant intends to do business or make solicitations;

(e) The names, permanent addresses, telephone numbers and social security numbers of each person who will make sales or solicitations within the city on behalf of or as a representative of the applicant;

(f) A statement as to whether or not the applicant has been convicted of any crime or misdemeanor or for violating any municipal ordinance, the nature of the offense, the date and jurisdiction of conviction, and the punishment or penalty assessed therefor;

(g) The make, model, complete description, and license tag number and state of issue, of each vehicle to be used to make sales or solicitations, whether or not such vehicle is owned individually by the person making sales or solicitations, by the business or organization itself, or rented or borrowed from another business or person; and

(h) Tennessee sales tax number, if applicable.

(2) Each applicant for a transient vendor permit shall submit, along with the permit application, written consent by the property owner or authorized agent for the property owner, for the applicant to use said owner's private property for the purpose stated in the application.

(3) Due to the highly perishable nature of seafood and the severity of poisoning that can result, each transient vendor who desires to sell seafood (including all types of fish and shellfish) shall present to the city a health permit issued by the Shelby County Health Department with the application. (1981 Code, § 5-204, as replaced by Ord. #2005-21, Nov. 2005)

9-105. Permit fee. Each applicant for a permit as a peddler, transient vendor, solicitor or street barker shall submit with the application a non-refundable administrative fee of twenty-five dollars (\$25.00). Notwithstanding the provisions of Tennessee Code Annotated, § 67-4-719 and any other law to the contrary, such tax shall be paid prior to the first day of engaging in business. For transient vendors, state law prescribes an additional fee.¹ There shall be no fee for an application for a permit as a solicitor for charitable or religious purposes or as a solicitor for subscriptions. (1981 Code, § 5-205, as replaced by Ord. #2005-21, Nov. 2005)

9-106. Location of transient vendor sites. Transient vendor sites shall be allowed only in B-2 (general commercial) or PC (planned commercial) zoning districts. A minimum setback of fifteen (15) feet from all public sidewalks or rights of way shall be required for the location of any transient vendor site. Setbacks from streets or rights of way shall be measured from the curb or right of way line, and setbacks from sidewalks shall be measured from the edge of the sidewalk farthest away from the curb. (1981 Code, § 5-206, as replaced by Ord. #2005-21, Nov. 2005)

9-107. Issuance of permit. Upon the completion of the application form, presentation of any additional required documentation and the payment of the permit fee (where required), the city clerk shall issue a permit and shall provide a copy of the permit to the applicant. Upon issuance of the permit, the city clerk shall immediately deliver a copy of the application, together with all required documentation, and a copy of the permit to the chief of police. (1981 Code, § 5-207, as replaced by Ord. #2005-21, Nov. 2005)

¹State law reference:

Tennessee Code Annotated, § 67-4-709(a)(6). Transient vendors shall pay a tax of fifty dollars (\$50.00) for each fourteen (14) day period in each county and/or municipality in which such vendors sell or offer to sell merchandise or for which they are issued a business license.

9-108. Restrictions on transient vendors, peddlers, street barkers and solicitors. No transient vendor, peddler, street barker, solicitor, solicitor for charitable purposes, or solicitor for subscriptions shall:

(1) Be permitted to set up and operate a booth or stand on any street or sidewalk, or in any other public area within the city;

(2) Stand or sit in or near the entrance to any dwelling or place of business, or in any other location that may disrupt or impede pedestrian or vehicular traffic;

(3) Offer to sell goods or services, or solicit in, vehicular traffic lanes, or operate a "road block" of any kind, except as otherwise permitted by state law, or use a parked vehicle on public streets, highways or rights of way as a business stand to sell goods, wares or merchandise to occupants of other vehicles;

(4) Call attention to his business or merchandise or to his solicitation efforts by crying out, blowing a horn, ringing a bell, using any sound amplifying device, or creating other noise, where sound of sufficient volume is emitted or produced therefrom to be capable of being plainly heard upon the adjacent sidewalks, streets, alleys, parks or other public places, for the purpose of attracting attention to any goods, wares or merchandise which such person proposes to sell, except that street barkers shall be allowed cry out to call attention to their business or merchandise, as applicable, during recognized parade or festival days of the city;

(5) For purposes of the activities regulated by this chapter, enter in or upon any premises or attempt to enter in or upon any premises where a sign or placard bearing the notice "Peddlers or Solicitors Prohibited", or similar language carrying the same meaning, is located, or where the owner of said premises requests that the transient vendor, peddler, street barker, solicitor, solicitor for charitable purposes, or solicitor for subscriptions leave his or her property. Violation of this sub-section (5) shall constitute trespassing as well as a violation of this chapter. (1981 Code, § 5-208, as replaced by Ord. #2005-21, Nov. 2005)

9-109. Restrictions on advertising, etc. by transient vendors. A transient vendor shall not advertise, represent, or hold forth a sale of goods, wares or merchandise as an insurance, bankrupt, insolvent, assignee, trustee, estate, executor, administrator, receiver's or manufacturer's wholesale, cancelled order, or misfit sale, or closing-out sale, or a sale of any goods damaged by smoke, fire, water or otherwise, unless such advertisement, representation or holding forth is actually of the character it is advertised, represented or held forth. (1981 Code, § 5-209, as replaced by Ord. #2005-21, Nov. 2005)

9-110. Display of permit. Each peddler, street barker, transient vendor, solicitor, solicitor for charitable purposes or solicitor for subscriptions is required to have in his possession a valid permit while making sales or solicitations and

shall be required to display the same to any police officer or codes enforcement officer upon demand or to any person solicited, upon such person's request. (1981 Code, § 5-210, as replaced by Ord. #2005-21, Nov. 2005)

9-111. Suspension or revocation of permit. (1) The permit issued to any person or organization under this chapter may be suspended or revoked for any of the following causes:

(a) Any false statement, material omission, or untrue or misleading information which is contained in or left out of the application or other documentation required to be provided to the city along with the application; or

(b) Any violation of this chapter.

(2) The permit issued to any person or organization under this chapter may be suspended or revoked by the board of mayor and aldermen, after notice and hearing, for the same causes set out in § 9-111(1) above. The city clerk shall give written notice to the application of the hearing on proposed suspension or revocation of a permit issued under this chapter, which notice shall set forth specifically the grounds of complaint and the date, time and place of the hearing. Such notice shall be mailed to the permit holder at his or her last known address at least five (5) days prior to the date set for hearing, or it shall be delivered by a police officer in the same manner as a summons at least three (3) days prior to the date set for hearing.

(3) When reasonably necessary in the public interest the mayor may suspend a permit pending the hearing. (1981 Code, § 5-211, as replaced by Ord. #2005-21, Nov. 2005)

9-112. Expiration and renewal of permit. (1) The permits of peddlers, solicitors and transient vendors shall expire on the same date that the permit holder's privilege license expires. The permit of any peddler, solicitor, or transient vendor who for any reason is not subject to the Tennessee privilege tax shall be valid for a period of six (6) months from the date of issuance. The permits of street barkers shall be for a period corresponding to the dates of the recognized parade or festival days of the city. The permits of solicitors for religious or charitable purposes and solicitors for subscriptions shall expire on the date provided in the permit, not to exceed thirty (30) days from the date of issuance. Except as provided in subsection (2) below, and provided they are in compliance with this chapter, holders of expired permits may apply for issuance of a new permit.

(2) No permit holder whose permit has been revoked by the board of mayor and aldermen shall make application for a new permit until a period of at least six (6) months has elapsed since the last revocation.

(3) An application for renewal of a permit issued under this chapter shall be made substantially in the same form as an original application, provided that only so much of the application shall be completed as is necessary

to identify the renewal applicant and to show the same information required in the initial application as to any conditions or personnel that have changed since the last application was filed. (1981 Code, § 5-212, as replaced by Ord. #2005-21, Nov. 2005)

9-113. Enforcement by city's police department and codes enforcement officers. The provisions of this chapter shall be enforced by the city's police department and codes enforcement officers. (1981 Code, § 5-213, as replaced by Ord. #2005-21, Nov. 2005)

9-114. Use of streets and other public property. No permit holder shall have any exclusive right to any location on public streets or other public property, nor shall any permit holder be permitted a stationary location thereon. No permit holder shall operate in a congested area where the operation might impede or inconvenience the public use of the streets. For the purpose of this chapter, the judgment of a police officer, or codes enforcement officer exercised in good faith shall be deemed conclusive as to whether the area is congested and the public impeded or inconvenienced by the location of a permit holder. (as added by Ord. #2005-21, Nov. 2005)

9-115. Time requirements. No transient vendor shall keep his business open, and no peddler or solicitor shall solicit business after 8:00 P.M. and prior to 8:00 A.M. (as added by Ord. #2005-21, Nov. 2005)

9-116. No transfer or assignment. No permit issued under the provisions of this chapter shall be transferred or assigned, and no such permit shall be used by any person other than the one to whom it was issued. (as added by Ord. #2005-21, Nov. 2005)

9-117. Violation and penalty. Violation of any provision of this chapter shall be a misdemeanor, and such violation shall be punishable by a fine of up to \$50.00. Each day a violation occurs shall constitute a separate offense. In addition to any fine that may be imposed, the permit of any permit holder convicted of violation of this chapter shall be cancelled and revoked by the court. (as added by Ord. #2005-21, Nov. 2005)

9-204. Investigation and public hearing. Upon receipt of a completed franchise application and the required application fee, the city clerk shall provide a copy of the application to the chief of police, shall publish a notice of public hearing on the application and shall deliver a copy of the application to the board of mayor and aldermen. The chief of police shall cause a background investigation of the applicant to be conducted within ten (10) days and shall deliver the report of such investigation to the board and, if requested, to the applicant. The board of mayor and aldermen shall hold a public hearing at the place and time stated in the published notice, at which time the applicant must be present, and the applicant and citizens for and against the application shall have the right to be heard. 9-205. Award of franchise. After the hearing, the board shall, by resolution, award a franchise if it deems such award to be appropriate and in the best interest of the city. In deciding whether to grant the franchise, the board shall consider, in addition to matters set out in the application and the police investigation of the applicant, the public need for the proposed service, the traffic, safety and parking impact of the proposed service, whether the proposed business location is in compliance with zoning requirements, and such other matters as the board deems appropriate. A renewal franchise may be granted upon the written application of the franchise holder filed within thirty (30) days prior to the expiration date of the then-current franchise. The franchise renewal fee shall be paid upon filing of the renewal application. In the renewal application, the applicant shall, under oath, either state that all information and documentation previously provided to the city in or with the original application or subsequent thereto has not changed, or shall identify and provide the information and/or documentation that has changed.

Before any franchise may be renewed, the chief of police shall update the investigation of the franchisee from the date of the prior original or renewal application, which investigation shall include a determination whether the applicant is in compliance with this chapter. Said investigation shall be conducted within ten (10) days. If there is no information that would indicate a change in the status or behavior of the franchise holder that would be the cause for denial of an original franchise application, the chief of police shall so notify the city clerk and the applicant, and provided it is determined the applicant is otherwise in compliance with this chapter, the city clerk shall issue the renewal franchise.

If either the chief of police or the city clerk receives information that reasonably indicates the renewal application should be denied, including non-compliance with this chapter, he or she shall notify the board of mayor and aldermen and the applicant. Upon receipt of such notice, the board shall set a hearing at its next regular meeting on the renewal application and shall give public notice thereof. The franchise holder shall have the right to be heard at such hearing. If the next regular meeting of the board will be held after the expiration date of the existing franchise, the franchise shall remain in effect until renewal is considered by the board.

After the hearing, the board shall, by resolution, award or deny the renewal franchise as it deems to be appropriate and in the best interest of the city. (1981 Code, § 5-306, as replaced by Ord. #2005-11, June 2005)

In addition, each franchisee shall maintain liability insurance on all vehicles in the amount of \$100,000 per person and \$300,000 per incident for personal injury and \$50,000 for property damage, and proof of such insurance coverage and any changes or renewals thereof shall have been delivered to the city. Any such policy shall provide that it will not be cancelled without prior notice to the city. (1981 Code, § 5-308, as replaced by Ord. #2005-11, June 2005)

It is unlawful to operate of any taxicab, whether an addition or replacement vehicle, without providing such information to the city.

It shall be unlawful to operate any taxicab in the City of Millington unless such taxicab is kept in such condition and repair as is reasonably necessary to provide for the safety of passengers, the public and the continuous satisfactory operation of the taxicab. All taxicabs operated within the city shall be kept at all times in a reasonably clean and sanitary condition. If any taxicab operated within the city appears to be unsafe, any city police officer who observes such condition may inspect the taxicab and notify the city clerk, giving the details of the unsafe condition, and the city clerk shall send a notice requiring the franchise holder to provide proof that such unsafe condition has been remedied. (1981 Code, § 5-310, as replaced by Ord. #2005-11, June 2005)

9-701. Compliance and definitions. No wrecker or towing operator shall engage in the business of towing, removing wrecked or disabled vehicles within the City of Millington without complying with the provisions of this chapter. As used in this chapter, the following terms will have the following meanings:

(1) "Wrecker or towing operator" means any person, firm or corporation engaged in the business of offering towing services by use of a wrecker.

(2) "Wrecker" means a vehicle designed to be used primarily for removing wrecked or disabled vehicles upon any street.

(3) "Police dispatcher" means the person in the police department assigned by the chief of police to handle calls for wrecker service.

(4) "Towing services" means the towing or removing of wrecked or disabled vehicles from the place where they are disabled to another location. (1981 Code, § 5-801, as replaced by Ord. #2013-23, Jan. 2014)

9-702. Driving wrecker to scene of accident prohibited; exception.

No person may drive a wrecker, licensed or unlicensed, to the scene of an accident on the streets of the city unless the person has been called to the scene by the police dispatcher or by the owner or operator of a vehicle disabled in the accident. (1981 Code, § 5-802, as replaced by Ord. #2013-23, Jan. 2014)

9-703. Soliciting wrecker business at scene of accident prohibited; presence at scene as evidence of violation.

No person may solicit in any manner, directly or indirectly, on the streets of the city, the business of towing a vehicle which is wrecked or disabled on a street, regardless of whether the solicitation is for the purpose of soliciting the business of towing, removing, repairing, wrecking, storing, trading, or purchasing the vehicle. Proof of the presence of a person in the wrecker business or the presence of a wrecker or motor vehicle owned or operated by a person engaged in the wrecker business, either as owner, operator, employee, or agent, on a street in the city, stopped at the scene of an accident which was not involved in the accident and whose driver or occupants were not witnesses to the accident and which has not been called to the scene by the police dispatcher or by the owner or operator of a vehicle involved in the accident, within one hour after the happening of an accident, is prima facie evidence of a solicitation in violation of this section. (1981 Code, § 5-803, as replaced by Ord. #2013-23, Jan. 2014)

9-704. Response to private calls permitted.

A licensed wrecker or towing operator may respond within the city to a private request for wrecker service, when a wreck or collision on a street is involved or to a disabled vehicle not involved in a wreck. (1981 Code, § 5-804, as replaced by Ord. #2013-23, Jan. 2014)

9-705. License required; storage facilities; expiration date; trade name registration.

(1) No wrecker or towing operator shall engage in the business of towing services within the city limits without first obtaining a license from the city clerk, provided that before said wrecker or towing operator shall be entitled to a license, the said operator must obtain a certificate of occupancy and use from the City of Millington for his place of business; provided, however, that, wrecker or towing operators located in the county, outside the city limits of Millington, who are licensed to operate in the county, pursuant to the provisions of chapter 189 of the Private Acts of 1961, may apply for a license to operate in the city and such license shall be issued without the necessity of obtaining a certificate of occupancy and use from the City of Millington for his place of business as set forth above, providing they meet all other qualifications for a license as set forth in this chapter and comply with all rules and regulations promulgated pursuant to this chapter; provided further that only those wreckers and towing operators licensed to operate in the city who have been issued certificates of occupancy and use of the City of Millington

for their places of business shall be eligible to be included on any rotation list maintained by the Millington Police Department for use in those instances where wrecker and towing operators are directed to the scene of a wreck by the police dispatcher.

(2) No wrecker or towing operator shall hereafter be eligible to obtain a license as a wrecker or towing operator unless such operator shall have facilities for storage at his place of business where his wreckers are to be operated, sufficient for the storing of not less than twenty-five (25) disabled motor vehicles.

(3) Only one (1) license may be issued to each wrecker or towing operator. A license is not assignable or transferrable. Licenses expire on the 31st day of December of each year. The license issued authorizes the licensee and all its bona fide employees to engage in wrecker service.

(4) Each wrecker or towing operator shall register with the city the trade name of his wrecker company. (1981 Code, § 5-805, as replaced by Ord. #2013-23, Jan. 2014)

9-706. License application; hearing renewal. (1) A person desiring to engage in the business of towing service in the city shall file with the city clerk a written application upon a form provided for that purpose, which must be signed by the applicant or his authorized agent. The following information is required in the application:

- (a) Trade name, address, and telephone number of the wrecker business.
- (b) Number and types of wreckers to be operated.
- (c) Name, address, and telephone number of the owner of the business.
- (d) Location of the real estate parcels where the towed vehicle will be stored or taken to in the City of Millington.

(2) To be eligible for a license, an applicant must have a vehicle or vehicles that meet the requirements of this chapter, and the requirements of all applicable state laws and city ordinances. The applicant must also show that the applicant is capable of complying with this chapter and all applicable state laws and city ordinances.

(3) Investigation of applicant. The city clerk will request that the chief of police shall investigate or cause to be investigated each applicant under this chapter to determine whether the applicant qualifies to be issued a license. Such investigation will establish whether or not the wrecker owner/operator has the necessary facilities, equipment and insurance as required under this chapter, whether the owner/operator meets all other requirements of this chapter, and whether the owner/operator has been convicted of a felony within the last ten (10) years, which will disqualify such owner/operator from being included on the police services wrecker rotation call list. Every wrecker operator who desires to participate in the police services wrecker rotation call list shall be required to

operate wreckers from a permanent and established place of business in the City of Millington.

(4) Nothing in this chapter shall be deemed to give the city clerk authority to withhold a license because of any information or opinion as to whether there is a need for another licensee in the city.

(5) After reviewing the application and investigating the applicant, the city clerk shall, within thirty (30) days approve or deny the application based on his findings concerning applicant's compliance with this chapter. The chief of police shall send to the applicant and all licensees a written statement setting forth the reasons for the approval or denial of the application and the date of his action.

(6) An annual license renewal, applied for at least ten (10) days prior to expiration of the license, will be granted upon compliance with the provisions of this chapter. The city clerk shall cause notices to be sent to each licensee at least twenty (20) days prior to the expiration date, notifying each licensee of this provision.

(7) The city clerk may, at any time, require additional information of an applicant or licensee to clarify items on the application. (1981 Code, § 5-806, as replaced by Ord. #2013-23, Jan. 2014)

9-707. Fee. (1) When an application has been approved, the city clerk shall grant a license to the applicant upon the payment of an annual fee. The annual license fee shall be five dollars (\$5.00) for each towing car or wrecker unless application is made after July 1, in which event it shall be two dollars and fifty cents (\$2.50) for the remaining period of the year. In addition, a fee of one dollar (\$1.00) shall be paid to the city clerk for the handling and issuance of the license.

(2) The fee for issuing a duplicate license for one lost, destroyed or mutilated is two dollars (\$2.00).

(3) The fees are payable upon issuance of a license. No refund of fees may be made. (1981 Code, § 5-807, as replaced by Ord. #2013-23, Jan. 2014)

9-708. License issuance. A license shall be issued to applicants complying with the provisions of this chapter, and a wrecker sticker shall be issued to each wrecker of licensee upon inspection and approval of such. The wrecker inspection sticker must be affixed securely to the inside upper left-hand corner of the windshield of the inspected wrecker. No license authorizing participation in the wrecker service and no inspection sticker approving the operation of a wrecker on the streets of the city shall be issued unless the following requirements are met:

(1) The applicant shall submit every wrecker proposed to be used in the service for inspection, and each wrecker, other than a heavy duty wrecker, must comply with the following minimum requirements:

(a) Each wrecker shall be not less than one ton in size and be equipped with booster brakes.

(b) Each wrecker shall be equipped with a power-operated winch, winch line with a factory-rated lifting capacity, or a city tested capacity, of not less than eight thousand (8,000) pounds, single line capacity.

(2) Every heavy duty wrecker must comply with the requirements in subsection (1) of this section, except:

(a) Each heavy duty wrecker must be not less than two and one-half (2 1/2) tons in size.

(b) Each heavy duty wrecker shall be equipped with a power-operated winch, winch line with a factory-rated lifting capacity, or a city tested capacity, of not less than thirty-two thousand (32,000) pounds, single or double line capacity.

(3) An applicant must show to the city clerk insurability for public liability as provided in this section. If issuance of a license is approved, an applicant shall procure, prior to issuance of the license, and keep in full force and effect, a policy of public liability insurance issued by a casualty insurance company authorized to do business in the state and in the standard form approved by the board of insurance commissioners of the state. Before the city clerk may issue a license, the applicant must deposit with the city clerk a certificate of an underwriter that the applicant has in force a policy or policies of insurance as required by this section. The coverage provisions must insure the public from loss or damage that may arise to any person or property by reason of the operation of a wrecker of the applicant and provide that the amount of recovery on each wrecker shall be in limits of not less than the following sums:

(b) A garage liability policy covering the operation of applicant's own business, equipment or vehicles in the amount of one million dollars (\$1,000,000.00) combined single limits to cover bodily injury, including death, and property damage.

(4) The policy mentioned in subsection (c) of this section shall contain an endorsement providing for thirty (30) days' prior notice to the city clerk in the event of any material change or cancellation of the policy.

(5) The owner or operator of a wrecker shall have inscribed on each side thereof, in letters not less than three inches (3") in height, the name and address of the licensee. (1981 Code, § 5-808, as replaced by Ord. #2013-23, Jan. 2014)

9-709. License--display; duplicates. (1) Each license issued pursuant to this chapter must be posted and kept in a conspicuous place in the wrecker establishment.

(3) Every licensee shall, within ten (10) days after a partial change of control in ownership, or of management, or of change of address or trade name, notify the city clerk and chief of police of such changes. (1981 Code, § 5-809, as replaced by Ord. #2013-23, Jan. 2014)

(2) Violation by the licensee or an employee of licensee of a provision of this chapter.

- 9-1124. Penalties and injunction.
- 9-1125. Procedure for suspension or revocation; appeal.

9-1101. Purpose and findings. (1) Purpose. It is the purpose of this ordinance to regulate sexually oriented businesses in order to promote the health, safety, morals, and general welfare of the citizens of the city, and to establish reasonable and uniform regulations to prevent the deleterious location and concentration of sexually oriented businesses within the city. The provisions of this ordinance have neither the purpose nor effect of imposing a limitation or restriction on the content of any communicative materials, including sexually oriented materials. It is not the intent nor effect of this ordinance to restrict or deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market, nor is it the intent or effect of this ordinance to condone or legitimize the distribution of obscene material.

(2) Findings. Based on evidence concerning the adverse secondary effects of sexually oriented uses on the community presented in hearings and in reports made available to the board of mayor and aldermen, on findings incorporated in the cases of *City of Renton v. Playtime Theatres, Inc.*, 475 U.S. 41 (1986), *Young v. American Mini Theatres*, 426 U.S. 50 (1976), and *Barnes v. Glen Theatre, Inc.*, 501 U.S. 560 (1991); on studies in other communities including, but not limited to, Phoenix and Tucson, Arizona; Indianapolis, Indiana; Minneapolis and St. Paul, Minnesota; Amarillo, Austin, Beaumont and Houston, Texas; Newport News, Virginia; Garden Grove, Los Angeles and Whittier, California; Seattle, Washington; Oklahoma City, Oklahoma; and Cleveland, Ohio; and on findings from the Report of the Attorney General's Working Group on The Regulation Of Sexually Oriented Businesses, (June 6, 1989, State of Minnesota), the Report to: The American Center for Law and Justice on the Secondary Impacts of Sex Oriented Businesses, ERG/Environmental Research Group (1996); the HIV/AIDS Surveillance Report of the Centers for Disease Control and Prevention, U.S. Department of Health and Human Services, No. 2005, 15; and United States HIV & AIDS Statistics by Year (last updated December 9, 2004, and based on the HIV/AIDS Surveillance Report 2001, 13 (no. 2)); and various reports on sexually transmitted diseases from the Memphis and Shelby County Health Department, the board of mayor and aldermen finds as follows:

(a) Sexually oriented business lend themselves to ancillary unlawful and unhealthy activities that are presently or may be uncontrolled by the operators of such establishments. Further, there is presently no mechanism to make the owners of these establishments responsible for the activities that occur on their premises.

(b) Certain employees of sexually oriented businesses defined in this ordinance as sexually oriented theaters and cabarets engage in higher incidence of certain types of illicit sexual behavior than employees of other establishments.

(c) Sexual acts of various kinds occur at sexually oriented business, especially those which provide private or semi-private booths or cubicles for viewing films, videos, or live sex shows.

(d) Offering and providing such space encourages such activities, which creates unhealthy conditions.

(e) Persons frequent certain sexually oriented theaters, sexually oriented arcades, and other sexually oriented businesses for the purpose of engaging in sex within the premises of such sexually oriented businesses.

(f) At least 50 communicable diseases may be spread by activities occurring in sexually oriented businesses, including, but not limited to, syphilis, gonorrhea, human immunodeficiency virus infections (HIV-AIDS), genital herpes, hepatitis B, salmonella infections and shigella infections.

(g) Since 1981 and to the present, there has been an increasing cumulative number of reported cases of AIDS caused by the human immunodeficiency virus (HIV) in the United States -- 600 in 1982, 253,448 through 1992, and 929,985 through 2003. As of the end of 2003, more than 500,000 people are estimated to have died of AIDS in the United States.

(h) As of December 31, 2003, there were 6,678 people reported to be living with HIV infection (not AIDS) in the state of Tennessee, and 5,817 people reported to be living with AIDS in this state. From 1992 through December 31, 2004, 6,531 people were reported to have been diagnosed with HIV in Shelby County, and through December 31, 2003, there were 3,653 people reported to have been diagnosed with AIDS in Shelby County. From 1999 through 2003, there were 1,835 reported deaths among people with HIV/AIDS 1,835 in the Shelby County area.

(i) In Shelby County for the year 2004, there were 245 reported cases of syphilis, 3,278 reported cases of gonorrhea, and 7,540 reported cases of chlamydia. As of 2000, the U.S. Centers for Disease Control and Prevention ranked Shelby County fourth among all U.S. counties in numbers of reported cases of syphilis and reported a Shelby County rate of 28.2 cases of syphilis per 100,000 of population.

(j) The Surgeon General of the United States in his report of October 22, 1986, has advised the American public that AIDS and HIV infection may be transmitted through sexual contact, intravenous drug abuse, exposure to infected blood and blood components, and from an infected mother to her newborn.

(k) According to the best scientific evidence, AIDS and HIV infection, as well as syphilis and gonorrhea, are principally transmitted by sexual acts.

(l) Sanitary conditions in some sexually oriented businesses are unhealthy, in part, because the activities conducted there are unhealthy, and in part, because of the unregulated nature of the activities and the failure of the owners and the operators of the facilities to self-regulate those activities and maintain those facilities.

(m) The findings noted in paragraphs letter (a) through (l) above raise substantial governmental concerns.

(n) Sexually oriented business have operational characteristics which should be reasonably regulated in order to protect those substantial governmental concerns.

(o) A reasonable licensing procedure is an appropriate mechanism to place the burden of that reasonable regulation on the owners and operators of the sexually oriented businesses. Further, such a licensing procedure will place a heretofore nonexistent incentive on the owners and operators to see that sexually oriented businesses are run in

a manner consistent with the health, safety and welfare of their patrons and employees, as well as the citizens of the city.

(p) It is appropriate to require reasonable assurance that the licensee is the actual operator of the sexually oriented business, at all times fully in possession and control of the premises and activities occurring therein.

(q) Removal of doors on booths in sexually oriented businesses and requiring sufficient lighting on premises with such booths advances a substantial governmental interest in curbing the illegal and unsanitary sexual activity occurring in sexually oriented theaters.

(r) Requiring licensees of sexually oriented businesses to keep information regarding current employees and certain past employees will help reduce the incidence of certain types of criminal behavior by facilitating the identification of potential witnesses or suspects and by preventing minors from working in such establishments.

(s) The disclosure of certain information by those persons ultimately responsible for the day-to-day operation and maintenance of sexually oriented businesses, where such information is substantially related to the significant governmental interest in the operation of such uses, will aid in promoting the health and welfare of the city by preventing the spread of sexually-transmitted diseases.

(t) It is desirable in the prevention of the spread of communicable diseases to obtain a limited amount of information regarding certain employees who may engage in the conduct which this ordinance is designed to prevent or who are likely to be witnesses to such activity.

(u) The fact that an applicant for a sexually oriented use license has been convicted of a sexually oriented related crime leads to the rational assumption that the applicant may engage in that conduct in contravention of this ordinance.

(v) The barring of such individuals from the management of sexually oriented uses for a period of years serves as a deterrent to and prevents conduct which leads to the transmission of sexually transmitted diseases.

(w) The general welfare, health, morals and safety of the citizens of the City of Millington will be promoted by the enactment of this ordinance. (as added by Ord. #2005-20, Aug. 2005)
