International Building Code,\(^1\) 2009 edition, including all Appendices and Reference Standards as prepared and adopted by the International Code Council, excluding Appendix A and H, is hereby adopted and incorporated by reference as part of this code, and is hereinafter referred to as the building code. (as amended by Ord. #281, replaced by Ord. #372, March 1997, amended by Ord. #417, Sept. 2001, and replaced by Ord. #476, Dec. 2005, and Ord. #589, Aug. 2011)

12-102. **Modifications.** (1) **Definitions.** Whenever in the building code when reference is made to the duties of a certain official named therein, that designated official of the City of Clinton who has duties corresponding to those of the named official in said code shall be deemed to be the responsible official insofar as enforcing the provisions of the International Building Code are concerned.

(2) **Permit fees.** The schedule of permit fees shall be as follows: Structure building classification is determined from the International Building Code and the square footage of the structure is multiplied by the appropriate multiplier from the Building Valuation Data Sheet (Attachment 1)\(^2\) to determine a total cost for the structure. The actual permit fee will be taken from the Building Permit Fee Chart (Attachment 2)\(^2\) and applied to the permit.

(3) **Attachment 2.** The schedule of permit fees set forth in Attachment 2 is amended so that a maximum building inspection fee of one thousand dollars ($1000.00) shall be charged for the construction, alteration, etc., of any church building which is used or to be used exclusively for worship or church services or meetings, provided the construction, alteration, etc., of said church building has been designated by a duly qualified architect or engineer.

(4) **IBC Chapter 33 section 3303.** The following texts additions to this section in the International Building Code will be applied as additional code sections pertaining to demolition.

(a) 3303.7 All demolitions within the City of Clinton related to buildings and/or structures shall be in accordance with the International Building Code adopted by the city. The standards set forth in this section shall apply to demolition of all buildings and structures. Where the demolition of a non-residential building or structure exceeds five thousand square feet (5,000 sq ft), the city must issue a building permit before the activity can commence.

(b) 3303.8 **DEMOLITION,** the act of razing, dismantling or removal of a building or structure that exceeds five thousand square feet

(5,000 sq ft), or portion thereof, to the ground level. Renovations to non-
residential buildings or structures, which exceed five thousand square
feet (5,000 sq ft). The five thousand square feet (5,000 sq ft) is the total
area to be impacted within a three (3) year period regardless of whether
the project is phased.

(c) 3303.9 Where demolition of a non-residential building or
structure requires the issuance of a permit, and where the structure was
constructed prior to 1978, the city can request a copy of a Phase 1
Environmental Assessment for the building or structure. The assessment
shall be prepared in accordance with current ASTM requirements, and
the expense of the same shall be the sole responsibility of the permittee.
In the event that a recognized environmental condition is identified as
part of the assessment, the permittee will be required to undertake
additional sampling and/or testing as is warranted. In addition, the
permittee must submit a remediation plan, including the location of
where such material is to be disposed, as part of the permit application.

(d) 3303.10 In the event that a demolition permit is required by
section IBC 105.1 and the demolition takes place without a permit having
been issued, the City of Clinton reserves the right to cause the work to
cease in accordance with its legal authority. In addition, if an
environmental hazard exists in connection with the work and which is
not being properly addressed in accordance with federal and state
guidelines, the City of Clinton reserves the right to remediate the
environmental condition with the cost associated with the same to be
borne by the property owner. (as replaced by Ord. #372, March 1997,
amended by Ord. #417, Sept. 2001, and Ord. #436, Sept. 2002, and
