   (b) Friday through Sunday between the hours of twelve o'clock (12:00) midnight to six o'clock (6:00) A.M.
   (2) It is unlawful for any minor sixteen (16) years of age or younger to remain in or upon any public street, highway, park, vacant lot, establishment or other public place within the City of Dyersburg during the following time frames:
      (a) Monday through Thursday between the hours of ten o'clock P.M. (10:00 P.M.) to six o'clock A.M. (6:00 A.M.);

The term "knowingly" is intended to continue to keep neglectful or careless parents up to a reasonable community standard of parental responsibility through an objective test. It is not a defense that a parent was completely indifferent to the activities or conduct or whereabouts of such minor child.

(4) The following are valid exceptions to the operation of the curfew:
   (a) At any time, if a minor is accompanied by such minor's parent or guardian;
   (b) When accompanied by an adult authorized by a parent or guardian of such minor to take such parent or guardian's place in accompanying the minor for a designated period of time and purpose within a specified area;

This exception shall also apply if the minor is in a public place during the curfew hours in the course of the minor's employment. To come within this exception the minor must be carrying written evidence of employment which is issued by the employer;
   (e) Until the hour of twelve-thirty A.M. (12:30 A.M.) if the minor is on the property of or on the sidewalk directly adjacent to the place where such minor resides or the place immediately adjacent thereto, if the owner of the adjacent building does not communicate an objection to the minor and the law enforcement officer;
   (f) When returning home by a direct route from (and within thirty (30) minutes of the termination of) a school activity or an activity of religious or other voluntary association, or a place of public entertainment, such as a movie, play or sporting event. This exception does not apply beyond one o'clock A.M. (1:00 A.M.).
   (g) In the case of reasonable necessity, but only after such minor's parent has communicated to law enforcement personnel the facts establishing such reasonable necessity relating to specified streets at a designated time for a described purpose including place or origin and destination. A copy of such communication, or the record thereof, an appropriate notation of the time it was received and of the names and addresses of such parent or guardian and minor constitute evidence of qualification under this exception.
(h) When exercising First Amendment rights protected by the United States Constitution, such as the free exercise of religion, freedom of speech and the right of assembly. A minor shall show evidence of the good faith of such exercise and provide notice to the city officials by first delivering to the appropriate law enforcement authority a written communication, signed by such minor, with the minor's home address and telephone number, addressed to the Mayor of the City of Dyersburg specifying when, where and in what manner the minor will be on the streets at night during hours when the curfew is still otherwise applicable to the minor in the exercise of a First Amendment right specified in such communication; and

(5) When any child is in violation of this section, the apprehending officer shall act in one (1) of the following ways:

(a) In the case of a first violation, and if in the opinion of the officer such action would be effective, take the child to the child's home and warn and counsel the parents or guardians;

(b) Any parent, guardian, or other person having the care, custody and control of a minor violating the provisions of this section shall be fined no more than fifty dollars ($50.00) for each offense; each violation of the provisions of this section shall constitute a separate offense. (1978 Code, § 10-224, as replaced by Ord. #BB-581, Aug. 2006)

11-705. Tampering with or bypassing utility meters. It shall be unlawful for any person, firm, or corporation to damage, tamper with, or bypass any gas, water, or electric meter within the corporate limits of Dyersburg, Tennessee.

It shall be unlawful for any person to "jump" electric meters or to run electric lines directly from the electric transmission lines of the City of Dyersburg to the house, home, outbuildings, or business or premises occupied by them or any other person, firm, or corporation without passing through an electric meter furnished by the city for that purpose. It shall be unlawful for any person to run gas or water lines directly from city gas or water mains without passing through water or gas meters. It shall be unlawful to use or consume any gas, water, or electricity without paying therefor. (1978 Code, § 10-235)
